Professional: Focus, Team Management, Communication, Time Management, Organization

PROJECTS

Smokey's Helper | github.com/peoplesm/fire-fighter-tracking

smokeys-helpers.herokuapp.com

- Allows wildland firefighters to carry all the critical physical documents they would typically have in their "man purse" digitally.
- Provides pertinent fire weather data based on the user's geographic location.
- Tools: HTML, CSS, JavaScript, Express.js, React.js, GraphQL, MongoDB, Node.js

Magic App | github.com/peoplesm/magic-app

peoplesm.github.io/magic-app

- Allows people to search for Magic the Gathering playing cards and saves them in a wish list and in your browser's local storage.
- Tools: HTML, CSS, JavaScript, MD Bootstrap, Font Awesome

Mythic+ Teams | github.com/peoplesm/mythic-plus-team

mythic-plus-team.herokuapp.com

- Allows World of Warcraft players to search for specific characters in the game and add them to their Mythic+ team with custom notes.
- Tools: HTML, CSS, JavaScript, Node.js, Express.js, Handlebars.js, MySQL

EXPERIENCE

United States Forest Service - *Helicopter Rappeler* 5 seasons *(5/2013 – 5/2022)*

- Managed multiple Incident Command Type 5 (ICT5) fires
- Repair IT issues at airbase and advocated for the upgrade of bases internet
- Oversaw helicopter contracts on a when-needed basis

- Operated a fleet of 9 trucks, one UTV, and 3 toy hauler trailers
- Scouted and planned several pack-outs utilizing maps, compass, and GPS

Clearwater National Forest - *Musselshell Helitack* 2 Seasons

- Briefed and manifested passengers on several types of helicopters
- Supported on engines, handcrews, and helitack in both prescribed and wild fire settings
- Lead on helibase with cargo and movement of crews

Clearwater National Forest - *Lochsa Ranger District* 2 Seasons

- Maintained equipment such as tools, personal gear, and vehicles
- Participated as firefighter in all stages of suppression on wildfires (Initial attack, monitoring, mop-up)

AWARDS

Americorps Education Service Award (2012)

Undergraduate Research Opportunity Fund (2010)
